Hold the measuring tape loosely: measure around the base of your neck, just below larynx.

Hold the measuring tape loosely: measure around your body, under your arms and across shoulder blades.

Hold the measuring tape loosely: measure around your body, where you wear your pants, slightly lower than your natural waist.

Measure the length from inside the crotch to the ankle. Add 1-2 inches for a baggier look.

Note: Tape measurements are your personal measurements and not equivalent to sizing of clothing; they are to be used as a guide when purchasing.
