Hold the measuring tape loosely: measure around your body, under your arms and over your breast.

Hold the measuring tape loosely: measure around your body, slightly lower than your natural waist.

Hold the measuring tape loosely: measure around your body, placing tape around your hips - midway between your crotch and belly button.

Measure the length from inside the crotch to the ankle. Add 1-2 inches to accommodate higher heel shoes.

Note: Tape measurements are your personal measurements and not equivalent to sizing of clothing; they are to be used as a guide when purchasing.
